Buy only if on sale. It's nice but I literally finished this game in half an hour, from time of purchase to time of completion, and I wasn't even rushing. I like the happy background music and the simplicity of the game. Just get it if you are up for simple clicking and process of elimination. Just don't expect anything fancy.. Call the cops , I was robbed !!! With a price tag of \$3.99 (American dollars) and only getting two (2) levels for the whole game (So thats \$2 a level/round) is it worth such a steep price tag. Although it was was a cute and amusing game, I would higly recommend waiting for more content to be added to the game or the price to drop alot .. The game was short, sweet and simple. I was able to complete the game withn 1-2 hours tops.. Call the cops , I was robbed !!!
